

**Boundary Adjustment
Recommendation
Iron Springs Elementary**

A committee of parents, administrators, transportation director, school board member, and administrative intern was formed to assess the need for a boundary adjustment for Iron Springs and to provide recommendations to the Iron County School Board for consideration. Many options were carefully considered. At the conclusion of three committee meetings, the Boundary Adjustment Committee recommended the following adjustment to the Iron Springs Elementary boundary:

- 1) All out of boundary students currently enrolled in Iron Springs will attend their boundary school (effective fall of 2015-2016).
- 2) North Elementary will be remodeled beginning, tentatively, in the summer of 2015.
- 3) Sunset Canyon sub-division will shift boundaries to North Elementary (effective fall of 2016-2017).

Iron Springs Elementary Boundary Adjustment Proposal 2014-15			
Option: Sunset Canyon to North			
School	Number Students	Change for Iron Springs Elementary	
Sunset Canyon to North	85	Sunset Canyon	85
North Current	380	Out of Boundary	30
Total at North	465	Total	115
		Iron Springs Current	675
		Iron Springs After Adjustment	560
